

UCR States

Melody™, WellRithms' workers' comp repricing system, ensures the accuracy and integrity of medical bills before payment.

UCR States Repricing

Maximize savings on bills that are not subject to a state fee schedule

- Itemized bill editing with advanced physician clinical audits
- Line-by-line repricing using proprietary algorithms, backed by case law
- Fair and defensible reimbursements

SAVINGS IMPACT

60%-80%
off the billed amount

| State | Facility Bills | Professional Bills |
|-------|-------------------|--------------------|
| AZ | YES | |
| IA | YES | YES |
| MO | YES | YES |
| NH | YES | YES |
| NJ | YES | YES |
| PA | TRAUMA ACTIVATED* | |
| UT | YES | |

* Initial in-patient stay at Level I and II trauma center and in-patient rehabilitation at acute care hospitals.

What We Do

Audit

The Melody™ Classification, Edits, & Audit system reliably catches errors and overcharges at the line level.

Reprice

Melody™ reprices bills line-by-line ensuring fair and accurate reimbursement backed by case law.

Guarantee

With Shield Indemnification™, payers never pay more - GUARANTEED!
