

Out-of-Network Review & Repricing

Including *No Surprises Act* Eligible Claims

Paying claims fairly and accurately, but not a penny more.

- Control the rising costs of out-of-network claims
- Pre-payment review & repricing to capture savings on every claim
- Bend the trajectory of health plan spend
- Patient balance billing solved
- Minimize provider appeals while maximizing savings with fair reimbursement
- Better option than rental PPOs for cost containment
